Please email your answers about Art & Engineering to GKC Committee graandkineticchallenge@gmail.com

Please briefly describe the theme of your sculpture. A general description, based on your information may be used for race publicity.

Engineering

Please describe briefly any engineering highlights of your sculpture that you would like brought to the attention of the judges.

Please provide information for each member of your team, including pilots, passengers and pit crew. If there are more than ten members in your team, include their information on a separate sheet. Check box if additional members are listed on another sheet.

CODE OF CONDUCT

I solemnly affirm that I and my team members will obey all the rules and act respectfully and honorably toward all participants, officials, and spectators. I also acknowledge the following:

- 1. Kinetics is for everyone as such:
 - a.l will treat everyone within our Kinetic Community with respect, period.
 - b.I will respect my neighbors at Camp, Avery Park, Crystal Lake Sports Park, and the community at large by creating a positive and welcoming environment for all, including those not taking part in Kinetics. I will quiet down by 9 p.m. while in the campground or within earshot of others in and around the campground. I will also remain quiet until 8 a.m.
 - c.1 will NOT interfere with timing or scoring officials while they are tabulating scores. Their job is hard enough as it is, and messing with them could ruin everyone's fun.
- 2. Safety is paramount as such:
 - a. Fighting, physical/verbal abuse, and unwanted sexual advances have no place in Kinetics.
 - b. While I am piloting a kinetic sculpture, bicycle, or motor vehicle, I will NOT consume or be under the influence of alcohol, cannabis, or illicit substances. If my behavior when I'm intoxicated creates problems, I have to leave the event.
 - c.If the race course changes, I will follow the new routes without arguing about how the race was run in past years. I understand the priority of safety for race teams and the general public, and that the Race Committee spends hours making the race as fun as possible for all.
- 3. This planet is on loan to us as such:
 - a.l will treat it with respect.
 - b.I will clean up after myself and my team. We will Leave No Trace behind.
 - c.l will respect any and all current local restrictions, including fire bans.
 - d.I will NOT light any type of fireworks along the race course or at Willamette Park.
 - e.NO FIRES 2025.

I have read and will follow the current rules for events I am involved in. If I am Captain of a team or group, I understand that I am responsible for ensuring that my team/group reads and adheres to the race rules and this Code of Conduct.

Most importantly of all, I will always honor the kinetic credo that we are "Adults having fun so children want to grow up."

Should I violate any provision of this Code of Conduct, I acknowledge that I may be subject to time penalties, loss of LEO or other awards, disqualification, and banishment from the event.
